Dear Sir or Madam:

As you may be aware, our Boy Scout Troop recently suffered a loss when it's equipment trailer was stolen from our Charter site. The culprits cut the lock off the gated fence area securing the property and then cut the hitch lock and removed the door lock off of the trailer and hauled it away. The trailer was recovered, somewhat damaged, but in working order within a couple of days of it's being stolen; however, anything of value (i.e. camp stoves, lanterns, easy ups, tents) from inside had been removed.

It is our understanding that many people and organizations of our community have reached out, wishing to assist us in replacing these items. We are humbled and grateful to those in our community wishing to help us rebuild.

We would like to thank you in advance for your generosity. If you need to discuss any donations or have any other questions concerning our troop, please feel free to call one of the leaders listed below. Please accept our sincerest thanks for your time and generosity.

Yours in Scouting,

JoAnn M. Wood
